Retraction Notice: An Analysis of the Vibration Characteristics of Automotive Exhaust Systems and Optimization of Suspension Points

Jian Min Xu^{*}, Shuiting Zhou and Shui xuan Chen

School of Mechanical and Automotive Engineering, Xiamen University of Technology, Xiamen, 361024, P.R. China

RETRACTION

The Publisher and Editor have retracted this article [1] in accordance with good ethical practices. After thorough investigations we believe that the peer review process was compromised. The article was published online on 31-12-2014.
